Dear Sponsors,

On behalf of the students, staff, and families of Holy Trinity Episcopal School, we want to extend our deepest gratitude for your generous support of our recent Golf Tournament Benefit. Your sponsorship and contributions helped make this event a wonderful success and will make a real difference for our school community.

As a small school that continues to grow and strive for excellence, we depend on the kindness and involvement of partners like you. Your generosity will help us raise money to fund more classrooms and space for our Extended Transition Program. Because of your support, we will grow our matching funds to apply for grants. Adding more classrooms will allow us to meet the needs of more students with unique abilities and challenges in our community.

The golf tournament was not only a fun and memorable day, it was also a powerful reminder of the community that stands behind our school. Seeing so many local businesses, individuals, and friends come together to invest in our students fills us with gratitude and hope for what's ahead.

Thank you again for believing in our mission and for being such an important part of our story. We are truly thankful for your partnership and hope you'll join us again next year for another great event!

With heartfelt appreciation,

Gavin Skinner
